MAHARASHTRA KRISHNA VALLY DEVELOPMENT CORPORATION PUNE 411011

(A GOVT. OF MAHARASHTRA UNDERTAKING)

Rates for the supply of spare parts for Kirloskar make V.T. pump as shown below are invited from contractors having experience of the said work for estimate purpose. Please submit the rate to The Executive Engineer, Takari Mechanical & Electrical Division, Warnali, Sangli 416415 Maharashtra within 10 days from date of publishing.

Item No.	Description	Qty.	Unit
I	Supplying of following spares for Kirloskar make V. T. pumps at Mhaisal LIS stage I to V.		
1	Ø 20 mm gland packing	1	kg
2	Ø 1000 mm neoprene gasket having thickness of 8 mm for HOPD, BFV & NRV	1	No
3	Ø 1200 mm neoprene gasket having thickness of 8 mm for HOPD, BFV & NRV	1	No
4	Rubber seat ring for Ø 1000 mm HOPD valve & butterfly valve	1	No
5	Rubber seat ring for Ø 1200 mm HOPD valve & butterfly valve	1	No
6	Hydraulic cylinder oil seal kit for HOPD cylinder having 100 bore & 500 stroke	1	Set
7	Hydraulic hose SAE 100 R2-5	1	No
8	Return oil filter of polyhydron make having specification RLF-06-25-VI	1	No
9	Hydraulic power pack oil seal kit for HOPD power pack	1	Set
10	Seasoned wood with natural rubber coating small ball for 200 mm KAV	1	No
11	Seasoned wood with vulcanite coating big ball for 200 mm KAV	1	No
12	Natural rubber seat ring for 200 mm KAV	1	No
13	Ø 50 mm brass sluice valve for air vent arrangement of pump	1	No
14	Ø 20 mm ball valve for cooling arrangement of thrust bearing	1	No
15	Pressure guage having range of 0 to 100 kgf /cm ² of 150 mm dia	1	No
16	Oil level indiactor for thrust bearing housing	1	No
17	Cardium compound	1	Kg
18	Flexible coupling for 50 HP Kirloskar make HSC pump	1	No
19	Flexible coupling for 25/5 ton capacity EOT crane	1	No

This information is required for the purpose of framing of working estimates and hence the urgency.
